## Chapter 1 by Ares Of Knowledge

Darkness, I see nothing but darkness. Is...is this life? Is this what i'm going to be for the rest of my life? No....no it can't be. But, I don't remember anything from the past. Life is strange. From past you to this. Piece of nothing. I can't lose this opportunity in the darkness. What's this? Light bright, glimmering and shining? Never felt this kind of warmth in..such..a long time! Has it been years throughout this darkness I have been wandering around this never-ending vortex. Then I wake up? I opened my eyes and I was on a ship, paralysed seeing an almost-human like figure. "Captain he's awake"! Yelled that seems to be a crew member.
